## CELEBRATING GRADUATES

**June 10, 5pm & Sunday June-11 @ 9am & 10:30am**

On June 10 and 11, all are invited to congratulate our graduates from high school and higher education institutions. We will recognize their achievements and bless them on their continued journey. Please hold our graduates in prayer as they move forward on their life journey. Special fellowship with cake will be offered after both services on that Sunday.

If you are graduating from high school this year, please provide a baby picture, a growing up picture and your senior picture to Rev. Dan by May 28th. It will be included in the video presentation during worship on June 11th and in the bulletin insert. If you are a graduate from any higher education institution, please provide a picture from your graduation day which will be included in the bulletin insert on graduate Sunday. Please inform Rev. Dan which service you plan to attend. If you have any questions, please connect with Rev. Dan Verdegan.

## HARMONY GARDEN 2017

Mission Outreach Committee is ready to begin work in the garden. We are expanding the garden this year to make room for squash while adding gourds and a few watermelon!

We meet Wednesday's at 6pm to weed, water, plant and spend time together enjoying each other. It truly has been a gift to work together! Please join us! If you cannot make it in the evening but would like to help out during the day, that would be awesome! Let us know your thoughts of when you could spend time in the garden so we can all work together! Everyone is welcome! Our produce goes to Salvation Army, ECHO, Bountiful Blessing Meals, GIFTS Meals as well as other needs as they arise. If

you want to help out, please contact Pam McCumber @ 608-2909487 or email her at [pkmccumber@msn.com](mailto:pkmccumber@msn.com). Thank you, Cargill, for supporting this mission!

## A WORD FROM PASTOR SUSAN

Pentecost is often called the birthday of the church. Not the birth of an organization, but the story of how the church came alive by the power of the Holy Spirit. On that glorious day followers of Jesus Christ received the power to take the gospel to the street there in Jerusalem and eventually throughout the earth.

And with each of our annual Pentecost celebrations, we remember that the Spirit is still speaking, still leading, still empowering the church. Catch the Spirit here at Cargill for a summer of love, and praise, and service!

The Spirit has been poured out on all flesh.

Let us go now,

on fire with God's love,

embodying the message of salvation for all,

building gracious communities of peace, hope, and unity.

'see you in church!

Pastor Susan

## NEW MEMBER CLASS

A Ministry Exploration Class is an opportunity to get connected with the various ministries of Cargill UMC. The gathering include an overview of the rich Methodist tradition of social action and service, Cargill's ministries of outreach and spiritual growth, discipleship of time, talent and treasure and making connections with one another through our interests. If you want to learn more about Cargill UMC or are ready to partner with others to live into this mission, this is a great opportunity to learn more. During the summer months, new member classes are available upon request and will be led by the Rev. Lee Meissner. Please see Pastor Susan with questions or to request a class.

## WORKOUTS AT CARGILL

If you enjoy being with other people while getting a light workout, feel welcome to participate in the following Cargill groups:

**Tai Chi:** Tai Chi is a Chinese moving meditation that stretches, improves balance and increases strength all from standing positions. Continued practice will result in increased vigor. This low impact exercise puts minimal stress on muscles and joints, making it generally safe for all ages and fitness levels. If you're looking for a way to reduce stress and anxiety, and help increase flexibility and balance, consider Tai Chi! This group meets on Mondays at 4:30pm and Wednesdays at 10:15am in the narthex (the walk-thru area just outside the sanctuary). Please wear loose fitting clothing and comfortable shoes. This group is led by Bob Naatz.

**Aerobics:** This group of ladies meets in Fellowship Hall Mondays, Wednesdays, and Fridays from 9 – 10am for a low impact workout together to a DVD. Join the fun!

## TREES

Maybe you have noticed some trees missing around the church property. The Trustees, after inspecting the church grounds with the guidance of a tree service, initially decided three trees needed to be removed due to weakness attributed to age (85+ years old), insect infestation, and disease. Recent storm damage revealed yet another tree had to be removed. In total four trees have been removed since May 1<sup>st</sup> and all four, after removal, showed even greater rot or insect damage than initially observed. The stumps will be ground and covered with grass over the next couple of months.

We know you are now thinking, "What about NEW trees?" The Trustees have approved a landscape plan that will be on display soon. We have selected the best trees for the climate, for longevity, for shade, for appearance, and from those on the approved list from the City of Janesville. Having taken many factors into account, we would also like to plant mature trees, believing they grow better over time.

There are some funds designated from the Trustee's budget for one or two replacement trees per year. Financial gifts are also most welcome, and may be marked "trees."

Mature replacement trees can cost between \$1200 and \$3000 per tree.

If you have any questions please contact a member of the Trustees.

It is through our words and actions that others see His greatness!

Save the date. July 9-16—the Holy Spirit will once again shine through our volunteers as we host GIFTS here at Cargill. We look forward to working with such a wonderful group of Christians!

# “AQUARIUM” - A ROTARY GARDENS OUTING

What's inside this giant aquarium? Well....come and take a look at this specialty garden! A boardwalk guides visitors along the sandy sea floor that is punctuated with “coral” and other aquatic-looking plants (live). Two sharks, a sea turtle, octopus and many fish are swimming about with crabs and lobster on the bottom. This fun structure looks like a large aquarium with blue sides and two access doors to allow visitors to enter this make-believe, underwater display. The Giant Aquarium is the size of 500 square feet (16' wide by 32' long and 10' tall). If this space could be filled with water, it could contain 38,300 gallons! Educational initiatives will focus on the importance of plants in our aquatic environments. The Giant Aquarium is part of the Rotary Botanical Garden Story Walk, Commotion in the Ocean and RBG is working with Hedberg Public Library on interpreting and sharing the book, “Life in a Coral Reef” by Wendy Pfeffer.

Everyone is encouraged to experience this on **Sunday, July 23rd at 3:30pm!** Sign up at the Family Ministries bulletin board or by calling the church office at 608-752-0548. Sponsored by Cargill UMC Family & Senior Ministries

# MISSION OUTREACH

## CROPWALK UPDATE

This year the Janesville area CROP Walk for ending hunger has currently raised \$ 43,215.75 with Cargill raising \$8,714. Twenty-five percent of the money raised will go to ECHO here in Janesville, and the remainder supports hunger projects around the globe.

Cargill hosted the city wide effort again. Deb Fisher served as the Hunger Walk coordinator. Deb Kline Tollefson was our congregation recruiter. We had 33 walkers, several volunteers (including Boy Scouts and Girl Scouts), and countless donors who contributed to the success of this important event. We were even blessed with a beautiful day for a walk.

A special thank you to everyone who participated in this special mission opportunity.

# CARGILL CHRISTIAN PRESCHOOL & DAYCARE

I can't believe Summer is already here! May was an extremely busy month and a great end to the school year. We ended April with our Grandparent's Day event and Scholastic book fair. A huge thank you to everyone from the church that purchased books from our book fair event. We exceeded last year's sales by \$200! The profits from our book sales goes towards new books for the classroom and materials to enrich our library areas. Also, a huge thank you to our daycare board members that acted as surrogate grandparents during the event. We ended the school year with our P4J graduation and 3-year-old preschool celebrations.

Summer brings many exciting things happening in the child care center. Our summer camp program for our school age children will have a Lights, Camera, Action theme and will feature weekly field trips and activities. Some of our fun field trips will be going to the Splash Pad, Palmer Park, Milton House, and the movies. Our junior campers will have a monthly in house field trip and weekly water days. Summer is a great time to take our learning outdoors so you will see the children planting a garden, playing with blocks, and doing art projects.

Our two-year-old playground is getting a revamp! Thank you to Dean Teuscher and the trustees for your help with the project as well as the parents and church members that bought cookie dough during our last fundraiser. The playground will have a new concrete bike track, a climber, a tunnel, storage, and some new bikes.

We are still accepting enrollment for the Fall 2017-2018 school year. Please contact the child care office if you would like to schedule a tour. Have a great summer!

Dawn Allen, Director of  
Preschool and Daycare
