October Birthdays

Happy 2nd Birthday to:
Beckett W. -21st

Happy 3rd Birthday to:
Ryker L. -5th
Macee N. -6th
Joseph S. -12th
James W. -15th

Happy 4th Birthday to:
Anthony Z. -5th
Livia H. -10th

Happy 5th Birthday to:
Madelyn L. -4th
Ella B. -14th
Gracie H. -23rd
Neveah W. -26th
Aiden H. -31st

Happy 6th Birthday to:
Elise K. -20th

Happy 7th Birthday to:
Connor C. -29th

Happy 8th Birthday to:
Natalie W. -27th

Happy 10th Birthday to:
Robert S. -6th

Happy Birthday to these Teachers:
Miss Sarah -11th
Miss Jean -23rd
Miss Kelsey -26th

Friday, October 14th 2016

National Dessert Day

Chew Choc-Banana Recipe

Ingredients:

110 g unsalted butter (softened)

1/3 cup honey

1 tsp vanilla extract

1 banana (mashed)

1 cup spelt flour (sifted)

3/4 cup rolled oats

1/2 cup desiccated coconut

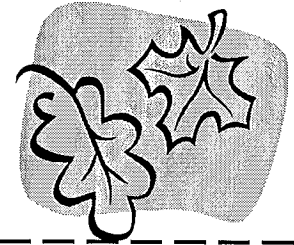

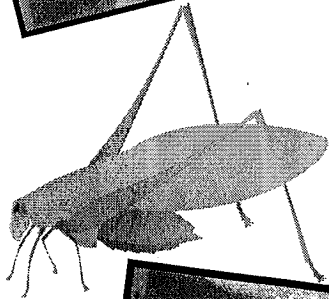

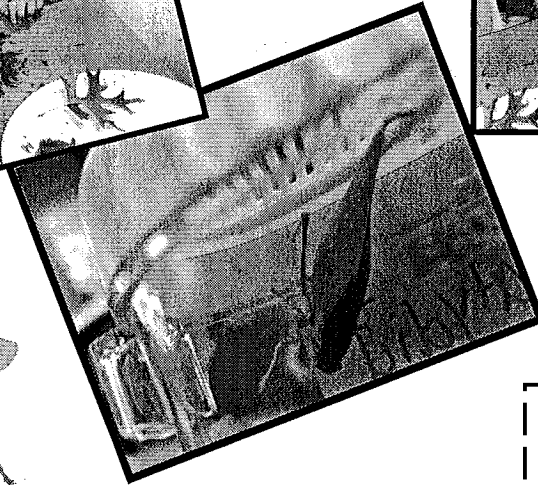

1/4 cup dark chocolate (chopped)

Directions:

1. Preheat your oven to 175C (155C fan-forced) and line 2 large baking trays with non-stick baking paper.
2. Beat together the butter, honey and vanilla until pale and creamy. Stir in the banana.
3. Add the sifted flour, oats and coconut, and stir until well combined. Add the chocolate and mix well.
4. Roll tablespoons of the mixture into balls, place on baking trays and flatten.
5. Place in oven and bake for approximately 10-12 minutes or until lightly golden.
6. Leave on trays to cool.

Classroom Connection

Pandas having fun with NATURE

We learned.....

About Katydid. While playing outdoors, Rainbows and Pandas found a bug that looked like a leaf. Children enjoyed watching and learning about Katydid. We learned that Katydid are related to crickets and grasshoppers and makes clicking sounds. We also learned that it has long back legs to jump and has wings and also eats leaves. However, while watching our new friends, we discovered that the Katydid is missing one of its back legs. To enrich children's learning, children found leaves and sticks to create a short term home for the Katydid and collected leaves to paint with. This was a great learning experience.

Meeting the Standards...

Health and Physical Development – Exhibits eye-hand coordination, strength, control, and object manipulation.

Health and Physical Development – Uses senses to take in, experience, integrate, and regulate responses to the environment.

Social and Emotional Development – Engages in social interaction

Approaches to Learning – Express creativity through art

Approaches to Learning – Display curiosity, risk-taking and willingness to engage in new experiences

Cognition and General Knowledge – Uses tool to gather information, compare observed objects, and seek answers to questions through active investigation.

Thursday October 6: P4J Field Trip to the Farm
Friday, October 7: No P4J
Wed., October 26 and 27: No school and Conferences
Friday, October 28: No School

Parents, it is a state regulation that all vehicles must be turned off when unattended during Cargill's operating hours. Cold weather is among and we apologize for the inconvenience, but it is a safety concern. Thank you.
